Cecilia – *Blauw gras*

Cecilia is a Belgian trio of diatonic accordionist Greet Wuyts, electro-acoustic hurdy-gurdy player Thomas Hoste and piper/flutist Jan Leeflang. Since 2008 they play concerts and bal folk nights throughout Europe and perform Flemish and North Eastern French traditional music (the booklet's sleeve notes are in Flemish and French). Bourrees and rondeaus, scottische and mazurkas, polkas and waltzes are made for dancers, but performed in a highly sophisticated way. Sometimes it is a bit crazy, but most of the time solidly grounded.
